

Verifiable CPD Newsletter - A Great Success

Our first attempt at offering verifiable CPD via our newsletters has proved very successful. We have had quite a big response with some very positive feedback.

Currently we have had around fifty answer sheets submitted and we have been very grateful for all the comments and suggestions. We will certainly be looking to use this feedback both to improve our services and for suggestions for future newsletters.

Especially gratifying has been some of the testimonials and we would like to take this opportunity to thank everybody who has taken the time and trouble to provide a testimonial.

It's Not Too Late for the CPD

It is not too late if you haven't yet done the CPD. We will be keeping it available for as long as possible. We intend to build a library of free CPD which will be available to access for the whole dental team on our

website at www.mauricehood.co.uk/cpd. As has been previously mentioned the CPD is available for all members of the dental team so if you or any of the rest of your team haven't yet done the CPD you can go to our website and complete it online.

New Prescription Form - Work Ticket Trial

We're starting trials of a new prescription form / work ticket. We have taken the decision to try and improve the prescription form / work ticket after receiving a series of requests from various practices.

The new one has been designed to make filling it out quicker and easier. It also has sections for marking that the work has been disinfected, a clearer area for marking down designs and a more tick box type approach. The initial trial prescription form / work ticket has been produced duplex so one side covers prosthetic and orthodontic work and the other crown & bridge and implant work.

Once the design has been finalized we are going to be offering a version that can be filled in online or via a computer in the surgery and then printed out to send with the work. Depending on demand we may also have the form available for completing and submitting online with the work to follow.

Join the Trial

If you would like to join in the trial please let us know and we will send you some of the new tickets.

Thank You from Brenda

Brenda would like to thank everyone for their good wishes following her recent hip replacement operation.

She is doing very well and hopes to be back at work shortly.
